VP VOLTAGE—HIGHS AND LOWS

New Year’s greetings to all as we get ready to crack open up those new 2023 calendars that we bought 3 months ago and start planning and recording those new events for the year. Even though my wife and I use our phone’s calendar to schedule appointments and key events, she likes to record key activities and events on the desk calendar to schedule out bill payments, etc. just to make sure nothing falls through the cracks (keeps the credit rating up too). And, yes, we have May 19-21, 2023 recorded on it in indelible ink. Hopefully you also have the Tri-State Meet on your calendar and are making plans to attend. The committee members are hard at work planning this event, to make sure this is one of those “Highs” of the year for you.

When we think back over all our past experiences and things that have happened, it’s clear we’ve had some great experiences that we would consider as a High event, but we’ve also had some that were not so good, the Low events. As we roll into the new year, my hope

for you is that it is a year filled with lots of Highs, but realizing there inevitably

will be some Lows. I’ve heard it said that if your left foot is in a bucket of boiling water, and your right foot is in a bucket of ice-cold water, on average you feel fine. Now, I’m not one to test that out, how about you? Darn statistics.

I think that’s it for now, just a short note this month so you can read quickly then shovel the driveway to get the Corvair out for a spin (well, not literally) on the road. I did get mine out on the road just before the pre-Christmas artic blast came through here and cooled my car driving activity. Sorry Steve, I’ll wait for a warmer bit of weather before

getting it out . The good news is we're now into Winter and the days are getting longer again. Yay.

So Happy New Year to all of you, may you have a healthy and wonderful year ahead. Keithann and I have a few trips planned for the year to celebrate our 50th anniversary in June, that being one of our Highs for the year. So, here's to all the journey's ahead.

Enjoy the journey,

Jerry

ANNUAL MEMBERSHIP

It's that time of year again! It's time to start thinking toward the new year, and time to dig deep into your wallet and pull out that \$25 to send in for renewal of your membership in the Pikes Peak Corvair Club. Club dues are due in January, but can be sent in before then (and we'd love it if you could renew early to help with paperwork). We are in the process of adding an option to pay with PayPal, so watch for that announcement.

MEMBERSHIP RENEWAL

Annual Dues

We don't take your membership in this Club for granted, and are deeply appreciative of the support every member provides in being able to keep the Corvair out in front of the public to enjoy. So, thank you all for all you do, and now go get that checkbook and renew today! Don't wait!

To help our Treasurer, Mr. Randy Karl, manage the books effectively, we would ask that everyone **please send their dues renewal check in no later than 15 January, 2023** to the following address: PPCC, ATTN: Treasurer-2023 Dues, P.O. Box 15034, Colorado Springs, CO 80935. Or, you can always pay in person at the January or February meeting. We'd like to close the books on the 2023 Membership Drive by the end of February, and your support in meeting that goal would be greatly appreciated.

Christmas Party

Submitted By
Kristal Harrison

This year we decided to go to Edelweiss restaurant for the Christmas party. There were about 25 club members and families who attended, including Dolby the Guide dog puppy-in-training. The food was good, the company was great, and the gift exchange was enjoyed by all!

Toys for tots were again collected, and much thanks must go to Chris for organizing the party this year.
