PRESIDENT'S PONDERINGS

Submitted by Jerry Peevyhouse

PPCC President

Thanks for the memories

Don't know of anyone (of our vintage) 😊 who hasn't heard the old Bob Hope and Shirley Ross song "Thanks for The Memories". It became Bob Hope's signature song he performed constantly over his career, especially during his USO shows performed during the Vietnam war. As a comedian, he was one of the best, but he also gave back to others, especially the military. I'm not going to break out in song right now (you couldn't hear me anyway – a good thing), but there are two other people we know about that are all about giving and serving. We want to thank them for the memories they have provided us.

As you know, Rex and Kristal came "up" from "down under" 3 years ago to Colorado Springs as part of an Australian military rotation and showed up at one of our monthly club meetings with their service dog (puppy) Dolby. It was immediately apparent they were a fun-loving couple that were not shy about jumping into the waters when they joined. When we needed a secretary, Kristal volunteered. When we needed a DripLine editor, Kristal raised her hand. Then last year, Rex piped up and volunteered to be club President for the year

they had remaining in their rotation here. Setting aside the strange language they speak 😊, they completely jumped in and served faithfully to help our club. They will truly be missed. We wish them all the best as they return to Australia, and are sad to know that this year there won't be a Christmas in July party hosted by the Harrisons ☹️.

Speaking of parties, we had a great Christmas Party at the Black Bear Diner restaurant, where we had a brief club meeting before the lunch/gift exchange activities. New board members were elected, as follows:

President – Jerry Peevyhouse

Vice President – Johathan Faires

Treasurer – Randy Karl

Past President – Mike Piper (Rex said it would be a bit difficult to pull that off so Mike is continuing as Past President)

Secretary – Kathy Green

Member at Large - Glenn Dowling

While not a board position, Kristal has agreed to continue as DripLine editor (whoop hoo). Seems everyone can work remotely now, so we are grateful again for her willingness to serve even with a crazy time zone difference.

Before we closed the meeting, the club presented Rex and Kristal with a signed

poster of their “project” Corvair, the picture of the car taken appropriately in Glenn’s garage during one of our “bug out” days.

After closing the meeting, we had our lunch and gift exchange/swap/stealing event. No reported injuries during the gift stealing, so it was a good day. We also brought many toys for Toys for Tots.

Some shots of the crowd and gift exchange.

A big bonus for us was the weather was great, nice and warm with sun and NO snow.

We're looking forward to 2025 and all the events and activities for the club. The club exists for all members and we are always looking for ways to improve our club. We realize that we have a large number of members that are not local, but we do value your membership and input. Now we'll have 2 international members living more than 9,500 miles away.

Enjoy the journey,
Jerry
