## PRESIDENT'S PONDERINGS

It's official

We've just slow rolled out of Winter and officially stumbled into Spring. I say stumbled because the schizophrenic Colorado weather never really transitions well from one season to another. One day we get 5 inches of blowing snow and the next day there is a High Fire Danger warning. Go figure. Best we can say is "it's challenging." At least it's transitioning.

After having challenging weather for our January and February club meetings, we finally had a nice day for our March meeting. We had a good turnout, with several "returning" members attending and one of our new members, Brad Ausmus attending in person for the first time. While his '69 is not up and running yet, he's getting some time to work on it (he says he's now retired and has time on his hands but we all know what that means 😊) and hopefully have it out to show this year. Quite a story behind the car he owned in high school, sold, and rebought.

Kevin and Mario brought from Steve Goodman a club history carpet sign that was made many years ago and has been at Steve's shop for a while. Steve wanted to give it back to the club.

This 3'X 5' sign was made by some

members and used at events for many years until a surprise presentation of it was made to

Steve at his shop's 50<sup>th</sup> anniversary party in 2017. Part of the history is that at one point in its life it ended up in a second-hand store in Colorado Springs and was found there by someone who returned it to our club. We are going to get it cleaned (shampooed) and hang it in SeeMore's trailer to show when we transport our Cut Away car to various shows. Quite a bit of work went into making the sign and a long history that needs to be preserved. Here is a picture of it.

There was good discussion of upcoming shows and events planned for this year, including the St. Patrick's Day parade that several of us participated in the Saturday before the club meeting. Teaser, there were two wee little leprechauns that Steve Woods brought.

Rick was there to talk about the actions of the CCCC to protect and enhance the collector vehicle hobby. It's an important activity for us to have an advocate organization looking out for our needs. Several of their upcoming events are listed in the activities calendar.

The other major event coming up very shortly is the Tri-State in Trinidad. See the article from RMC, the host club, for more information, but please, please, sign up soon. There are deadlines for hotel and shirts, and banquet.

April 15<sup>th</sup>, last day for T-shirt orders

May 1<sup>st</sup>, last day to book a hotel at special rate

May 15<sup>th</sup>, last day to register for the banquet (they need to have a firm head count)

On a very different topic, I was recently reminded of just how precious each moment is in our lives, even though we sometimes complain about not having enough time (actually, that happens a lot). I just found out that a friend of mine just passed away from an apparent heart attack or stroke. It was a shock for his wife to come into the house and find him dead. He wasn't really that old, and was in relatively good health. It was a shock for me, and it just reminds me to always be kind to friends and family for we never truly know what tomorrow

brings. We plan for the future, but prepare for the possibilities.

Also, after a very long time, I finally got my seats re-upholstered and reinstalled in time for the St Patties Day parade. Got them done in the Springs by a guy who also did the seats for Jon Faires. Did a great job, and now I don't sink to the floorboard when I sit 😊. I think I'll add The Top Guys to the list of local companies listed later in this DripLine.

Enjoy the journey,

Jerry

Good day to all of our members and worldwide readers! (*hey, that's me!* - Kristal)

As I mentioned in last month's Dripline, I plan to talk about the process that I have gone through to start the restoration of my car. As I was doing a little research, I was reminded that my Great Uncle Leon, who I wrote about in my first article, had passed away 12 years ago, almost to the day of this writing. I'm hoping he would be proud of the work that I have put into the car so far.

A few years ago, I approached my cousin wondering what his plan was for my Uncle Leon's vehicles. After all, he had a 61', a 64' and a 66' Corvair, a long bed 69' C-10, and a well-used 65' C/K 10 farm truck. Knowing full well that I was interested in the 66' Monza, he thought for a moment and said, "If you want it, come and get it." This set my mind racing. I started doing research on the history of the

Corvair, the body styles, engine types, common issues, etc. I even made the large mistake of inquiring what is the best type of oil to use in Corvair engines. Needless to say, I found this subject to be the next thing after Money, Religion and Politics not to discuss with family or the online Corvair community.

I stopped by a few Classic Car shops in Colorado Springs to see what services they provided, hourly charges, and if they had advice on how to get the car transported back to Colorado from North Carolina. I settled on a company in Widefield, Street Metal Classics, that was in close proximity to where I worked and was very open to discussing the entire process with me. The owner, Robert, is very hands-on with all of his projects, and my Corvair was the first one he had worked on.

Now, I have watched enough car shows to know the entire process of a full restoration. Also, my step-dad completed a full nut and bolt restoration of his 63' Corvette a few years ago. But I knew my process would be a little out of order. Mainly due to finances and being anxious to get it on the road.

After deciding that the engine, transmission, brakes and suspension were going to be my starting point, we reached out to 'The Corvair Whisperer' aka Steve Goodman to discuss engine possibilities. The original 110 in the car had seized up due to time, the envi-

ronment, field mice and copperheads. I settled on a 140 because I wanted a little more horsepower, and so I could make the Roush Mustang folks a little nervous when I cruised by...

Until next month,  
Keep it on the road, and may your 10mm always be where you left it.

### **Regular Events:**

**Pikes Peak Air Cooled** meet up and drive on the 2<sup>nd</sup> Saturday of each month.

**Tri-Lakes Cars and Coffee** the 1<sup>st</sup> Sunday of each month starting in April.

### **Old Business**

St. Patrick's Day Parade, we had 5 cars in the parade, KeithAnn and Jerry's Convertible, Tony & Diane's Corsa, Steve Wood's late model, Randy Karl's late model, and Green's late model, with Coda in the window. The weather was chilly, and there were a few light flurries, but parade goers were dressed warmly and seemed to love the cars. We then went to Rudy's for lunch. Pics are available on the Pikes Peak Facebook page.

As our April meeting was scheduled on Easter Sunday, our next meeting will be ***Sunday, April 27.***

Collector Car Council of Colorado Tri-State Auto Exhibition at National Western Stockshow Exhibition hall. Rick and Tony attended. Tony had his Rampy and Rick had his convertible in the exhibition. This exhibition supports the CCCC. Rick and Tony said it was a really nice event with a number of very nice cars.

The last CCCC meeting was cancelled. The previous meeting included a presentation by Colorado State House members regarding licensing of old military vehicles. The House opened legislature that updates regulations on licensing of these vehicles. The legislature has passed several steps and is now up for the state house.

### **New Business/Events**

We will hold Tri-State 2026 in Montrose. PPCC will begin planning in a few months. Tony mentioned that he was excited as it will indicate that they have been members for ten years. Several other members joined PPCC at that same time!

**2024 Tri-State Information:** Deadlines are April 15 for T-Shirts orders, May 1 for hotel discount, May 15 deadline for banquet. The entire schedule of events is available at <https://www.rockymountaincorsa.org/>. Gift baskets are welcome.

Contact [Diane Lawler](#) if you would like to donate a basket.

Green's visited former members Dave and Cindy Arsenault in Scottsdale, AZ. It was great to see them and their entire car collection.

**50/50** was won by Kevin. He collected \$33.

**Meeting adjourned at 10:33**

## **Trinidad Tri-State 2025**

Submitted By  
Jerry Peevyhouse

Trinidad Tri-State 2025 May 30-31, 2025

Rocky Mountain Corsa is pleased to announce the 2025 Tri-State meet in Trinidad Colorado. Trinidad is a small town some 200 miles south of Denver just off of I25. This is different from our normal format of selecting a mountain town but we did not want keep going back to the same towns over again. Trinidad is a charming small town with a history back to the Santa Fe Trail days. It is filled with museums, specialty shops and small restaurants.

The hotel is the Days Inn Trinidad. They are offering a package of \$110+tax for the nights May 30,31 2025. That rate will carry over for the Thursday or Sunday if desired. Call the local number 719 497-8080 to make the reservation. Specify Corvair Tri-state to get the rate.

The Saturday morning car show will be held on the city main street. The city agreed to close the street for the morning. A perfect venue to show our Corvairs.

The banquet will be held at the town event center or the Mt. Carmel center. We have set a price of \$50 per person for the dinner.

We are really looking forward to hosting this meet. We hope you will join us.

## A fun day at a Parade!

Submitted By  
John Green

The St. Patrick's Day Parade in Colorado Springs was a fun day. We had five Corvair's participate. We lined up red, yellow, blue, red and yellow for a color contrast. First up was us and Coda in our red Monza, then Tony and Diane in their yellow Corsa, Steve Woods had two of his grand-kids, Aedin & Rylynn in his blue convertible turbo, Jerry and KeithAnn were in their red convertible and Randy in his yellow 68.

We lined up and decorated our cars before the parade started. Lots of green and gold taped, tied and zip tied to our cars. We also dressed in appropriate attire.

The weather was a bit chilly and windy, but the crowds were still lining the route enjoying all the entrants. We naturally had lots of folks' yell how much they like Corvairs and others saying they had had one in the past. The parade was about eight blocks long and took about 30 minutes going at 2mph.

We all had a good time driving the parade. We then all went out for BBQ at Rudy's and fellowship. I want to thank all that attended.

March 2025

Dear Rosemount Car Show Participants:

Rosemount Museum, is currently planning the “*Rumble at Rosemount,*” *Antique and Classic Auto Show*, an event geared toward attracting more visitors to the property and providing an opportunity for the community to view the many styles of antique and classic automobiles for free. **The *Rumble at Rosemount* is scheduled for Saturday, July 12, 2025** on the grounds of the museum, located at 419 W. 14<sup>th</sup> Street between Greenwood and Grand. The event will run from approximately 9 a.m. to 2 p.m.

As a participant in a previous Rosemount Car Show, you are receiving this information ahead of the official advertising for the event. You can also register early by filling out the enclosed registration form and mailing it back to the museum. Then on the morning of the Car Show, you simply stop by the registration table to check in and get your participant goodie bag.

Rosemount does not charge a registration fee to participate in the car show, so the registration form is all that is required to reserve your participation. Unfortunately, we cannot reserve specific spots on the property. Both entrances will open at 8 a.m. and cars will not be allowed on the property prior to 8 am (with the exception of volunteers). **Please do not arrive any earlier than 7:30 a.m. to line up.** We are in a residential neighborhood and want to be courteous to our neighbors prior to 8 a.m. We also ask that you refrain from bringing pets and alcohol to the property.

Every registered car owner will receive a participant goodie bag when they check in at the Carriage House the morning of the show. The Carriage House is the smaller building on the property (located on the corner of 15<sup>th</sup> and Grand).

Thank you for your interest in the Rosemount Car Show. We hope you will join us again this year. Please contact me at 719-545-5290 or email [ddarrow@rosemount.org](mailto:ddarrow@rosemount.org) if you have any questions regarding your registration or this event.

Warm Regards,

Deb Darrow

## Car Show Sunday, July 27<sup>th</sup>

Diner open 7am – 2pm for this event!

- Car show runs from **9:00am – 1:00pm** in the Rosie's Diner parking lots.
- **Participants parking is 7am – 9am.** Parking choices are on a first come basis. Parking is closed off once both parking lots are full per fire code.
- **TROPHIES:** Trophies are awarded at 1:00 pm sharp! We ask all winners to please wait after the show to have your picture taken in front of our diner to post on our web site and hang on our diner wall.

**Judges will be awarding 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place trophies in each category, please note on your entry form which category you wish to be judged in:**

- **Car Stock / Restored Stock** – Restorations that were intended to make a car look like it was fresh out of a dealer's show room.
  - **Car Restored / Modified** – Non-stock restorations that were not restricted to looking like the original version.
  - **Hot Rods** – Vehicles that don't remotely resemble a car from an assembly line, but are obviously passenger vehicles.
  - **Trucks**
- Rosie's will treat each participant and one guest to a **FREE** pancake breakfast with beverage between 7am and 9am in the diner!
  - Rosie's will also treat each participant and one guest to a **FREE** lunch with soda outside on the grill at 12 noon.

**Registration Fee:** Registration Fee is \$30.00 per vehicle. (Cash or check only!)  
Please mail to: **Rosie's Diner, 411 W. Hwy 105, Monument, CO 80132** or you can drop it off at the diner. No payments on line, please be aware of scams!
