PRESIDENT'S PONDERINGS**We're gearing up**Submitted by Jerry Peevyhouse
PPCC President

So, June is here, and so are the plethora of car shows and events available for us to attend. But, alas, it's impossible to attend multiple car shows on the same day (except Marty McFly possibly) so it's pick and choose which ones to attend. We as a club have tried to select some to do as club events, but even that's hard to do sometimes because there are so many good ones. This year we have selected 4 shows to take SeeMore (aka, the Cut-away Car) to, which can be a logistics issue to arrange for his trailering to and from events. We're fortunate to have drivers and vehicles to tow SeeMore, so thank you Mario and Glenn.

This edition is going out before the date of our Tri-State in Trinidad, but we are looking forward to spending time with our friends from RMC (the host club) and from the New Mexico club. I'm looking forward to visiting Trinidad for the first time. Been to the other Trinidad on a ship cruise, so this one will be a land and car cruise. 😊

I also recently got back from a quick trip to Maui to see my sister who lives there to see how their rebuilding was

going after the Lahaina fire almost 2 years ago. Still bare land, but they do have a contractor and plans approved so it's possible they may have their house rebuilt by the end of the year. While there I got to see the 1965 Dodge Dart my brother-in-law's father bought brand new and has had in the family since then.

Currently it's owned by my niece and her husband. It's "drivable" but needs a new radiator as it heats up pretty quick in the Hawaii heat. Wish I could have

helped him work on it, but with no tools or parts that's problematic. Maybe next time when I get back over there.....

What I can do now, and will be doing after I finish this, is finish getting my car ready for the Tri-State trip. It's running pretty well (yah, I know that could change next time I start it) but I have a couple of things I want to check to make sure it's ready. I haven't changed over to LED headlights, so I'm going to check headlight alignment since I might be driving at night at some point that week-end. Since I normally don't drive the car at night, it's not a big priority for me to change over to LEDs. It's on the "eventually" list though.

Finally, I'm looking forward to June 16th (no, not Father's Day). It's National Cannoli Day. Now what's the big deal about a Cannoli you say? Well I'm not really Italian but I've had the best cannoli I ever had in Long Island many years ago, and once you've had a really good Cannoli for dessert it's enough to make you think you're Italian. Fun fact, the Italian word "cannolo" (word for a single cannoli) means "little tube."

And since we always try and set records for everything, the largest cannolo ever was made on November 9, 2014, by the Lactalis American Group, Inc., at the Feast of Little Italy Italian Festival in Jupiter, Florida. It weighed 262.5 pounds. Burp

So long for now, hope to see you at a car show, club meeting, or on the road.
Enjoy the journey

Old Business

Nationals begin Tuesday this week. Several PPCC Members are attending.

Tri-state registration has been rolling along. The registration deadlines have passed. Many from PPCC are attending.

New Business/Events

Jon F. got some quotes for tee-shirts. He will send the information to the Board and we'll likely present hard copies to club members next month. There were polos, shirts with pockets, pullovers, jackets, etc. Jon will work with his person should we decide to get new shirts.

Jon F. will send an email to club members to see what type of interest there would be in getting club shirts.

Jerry contacted hotels in Montrose regarding 2026 Tri-State. He spoke with the Holiday Inn Express. There is no difference between pre and post Memorial Day room rates. We will have a Board meeting before Trinidad Tri-State to determine a date.

There was some basic conversation regarding Tri-State 2026. We WILL simplify the format for this Tri-State.

Chris K. mentioned that Ken Schiffner sent a message to RMC regarding Corvair parts to sell. Chris forwarded Ken's message to PPCC.

Ken S. registered the SeeMore trailer again this year and he paid for the registration.

50/50 was won by Chris K. She collected \$10.

Meeting adjourned at 10:30.

Outsiders Day Visit

Submitted By
John Green

We had another nice visit to Cresthill Middle School to help them celebrate their Outsiders Day Language Arts unit. The book features Corvairs and Mustangs for the two different class distinctions of society in the 60's. There was the upper class "Soc's" and the lower class "Greasers". The kids were all dressed up in their 60's attire, and lots of selfies were taken in the cars, behind the steering wheels

and in the back seats.

The teacher, Emily Schwartz, contacted me and I rounded up some cars for the classes. For the Corvairs, John Dawson bought his 1961 Lakewood

wagon, Chris brought her 1964 Convertible, Jerry brought his 1965 convertible and Kathy, Coda and I brought our 1968 coupe. For the Mustangs, Dana Garrett brought her 1965 convertible again (her kids had gone to the school and did this unit in the past) and Erik Emerson brought his 1966 fastback turned into a wannaby Shelby clone.

Every year the kids are excited to see,

touch and sit in the cars pretending they are from the 60's. Since they have never driven a car, they figured out the gas and

brake pedals pretty easily, but were confused with the turning lights, emergency brake, bright lights button on the floor, gear shifter and even wondering why there are ash trays in all the cars.

New this year was sitting in the frunk of the Corvair because "it looks like a chair". Also, since you could fit a person in the frunk, it

was the "kidnapping" car. We turned the engines on a couple times for the students and teachers to see how they worked and to hear them.

The 66 Mustang won the revving of the engine sound.

The weather was great this year, instead of past years with rain, snow and wind! The seven periods of students came out all day long looking at the cars. The

school had set up a tent for us and supplied us with breakfast items and lunch. The students and teachers were very thank-

ful for bringing our cars for them to see. We're looking forward to going back again next year.

Aussie Updates

Submitted By
Kristal Harrison

G'day all!!

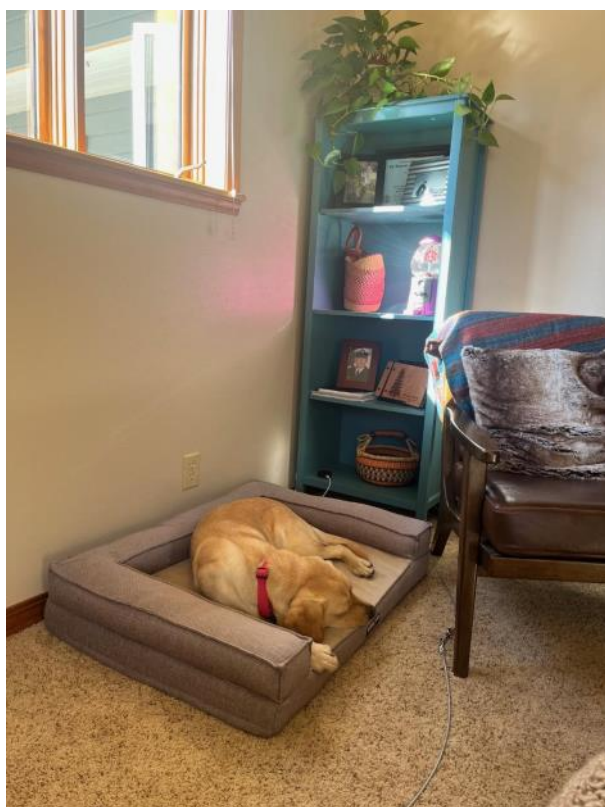

Just thought that I'd use up some space in this newsletter to let you know what's been going on with us. We're both settled into our respective working life, but I'm looking for other opportunities that DON'T come with 12 hour shifts. I've been to see my family in Cairns, and also in Melbourne, and have plans to go back to Cairns in a month or so.

We had an update on our Guide Dog puppy Banksia. Banksia was adopted in early April by a couple that live in Henderson NV. They fell in love with Banksia's personality and will give her the most amazing care! They wrote: " **We are all having a great time together! She's settled in quite well and appears to be very comfortable. She's getting 2 big walks a day on the local walking path around our neighborhood and has been sleeping well in her crate. Of all the dogs we've had over the years, she's been the easiest to get settled and comfortable with our**

family." The adopters have let the Dog Placement staff know how honored they feel to have been able to adopt such a wonderful dog and are very appreciative of the opportunity.

If you didn't see the photos of an Aussie car show, they're on Facetube on our club page. We even managed to find a Corvair! But not the owner, so we didn't get the chance to chat with them.

Enjoy Tri-State, and I expect to see many pics for the newsletter and on facetube!

CORVAIR PARTNERS & LOCAL BUSINESSES WHICH PPCC MEMBERS HAVE FREQUENTED WITH POSITIVE RESULTS

With so many new members joining the Club, we felt it might be a good time to (re)educate folks on where they can obtain reliable parts and service for their Corvairs, both near and far.

Here are just a few of the companies our members have had good luck with in the past.

NOTE: These are only recommendations only, as we do not solicit sponsors for the Club, or the newsletter. So, do your own research as well.

March 2025

Dear Rosemount Car Show Participants:

Rosemount Museum, is currently planning the “*Rumble at Rosemount,*” *Antique and Classic Auto Show*, an event geared toward attracting more visitors to the property and providing an opportunity for the community to view the many styles of antique and classic automobiles for free. **The *Rumble at Rosemount* is scheduled for Saturday, July 12, 2025** on the grounds of the museum, located at 419 W. 14th Street between Greenwood and Grand. The event will run from approximately 9 a.m. to 2 p.m.

As a participant in a previous Rosemount Car Show, you are receiving this information ahead of the official advertising for the event. You can also register early by filling out the enclosed registration form and mailing it back to the museum. Then on the morning of the Car Show, you simply stop by the registration table to check in and get your participant goodie bag.

Rosemount does not charge a registration fee to participate in the car show, so the registration form is all that is required to reserve your participation. Unfortunately, we cannot reserve specific spots on the property. Both entrances will open at 8 a.m. and cars will not be allowed on the property prior to 8 am (with the exception of volunteers). **Please do not arrive any earlier than 7:30 a.m. to line up.** We are in a residential neighborhood and want to be courteous to our neighbors prior to 8 a.m. We also ask that you refrain from bringing pets and alcohol to the property.

Every registered car owner will receive a participant goodie bag when they check in at the Carriage House the morning of the show. The Carriage House is the smaller building on the property (located on the corner of 15th and Grand).

Thank you for your interest in the Rosemount Car Show. We hope you will join us again this year. Please contact me at 719-545-5290 or email ddarrow@rosemount.org if you have any questions regarding your registration or this event.

Warm Regards,

Deb Darrow
