PRESIDENT’S PONDERINGS

Happy July

Submitted by Jerry Peevyhouse
PPCC President

Well, we’ve rounded the corner on the year and believe it or not we’re on the downhill side of the curve. Can you believe it??? 6 down and 6 to go. My body is just now getting used to some warm weather and sooner than I’d like we’ll be back to cold and snowy. How depressing a thought is that? Shame on me. Moving on.

There are many good things coming up in July, including the July 4th holiday and, for us here in Monument, the parade and food feast. Nothing like the biggest small-town parade to get your summer adrenalin going. Plus, for me, some annual event is happening to me 5 days after that. It happens every year, I can’t stop them (actually, that would be a bad thing once they stop) 😊. Had 77 of them already, so one more can’t hurt.

Anyway, there are a lot of opportunities to get our cars out for shows and just driving around. My top’s down, and likely to stay that way for a while. Was fun to take it to Tri-State, the Concours, and the Castle Rock shows.

One of the cool things about the Con-

course was that SeeMore was there and was a big hit with everyone. It’s a great teaching tool for young and old. As you can see, some of the Dad’s were showing and explaining about how engines work. That’s what it’s all about.

Now we’re getting ready for the Rumble at the Rosemount car show in Pueblo on July 12th. It’s coming up fast. SeeMore will be there, and we need to bring a bunch of Corvairs to the show. It's one of our clubs “sponsored” shows that is always fun. It's a bit noisy but

fun when at noon everyone fires up their cars and “let’s ‘em roar”. Let John Green know if you’re going, and have signed up. Sign up form is here in the DripLine, it’s a mail in form, so leave yourself plenty of time to send it in. You can also register the day of the show, but they prefer to have an idea of the number of cars coming. We can go in together early with SeeMore, so several of us are spending the night before there so we don’t have to get up so early on the day of the show. We’re old.... 😊

As you’ll read later in the DripLine, the club had a great showing for the Tri-State in Trinidad last month. Cars and members from 4 clubs got together for a great show and shine on the main street there. It’s fun when they close the street for us. A big Thank You to RMC for hosting a great event.

Finally, it’s been 6 months since Rex and Kristal returned back home to Australia. We do miss them and their Aussie sense of humor, but for me, I’ll miss their annual Christmas in July party they always hosted. Specifically, it’s the Pavlova dessert they made that I’ll really miss. 😊 So don’t be surprised to see me in my Clark Grizwold Christmas shirt someday this month in honor of them.

When you get a chance, drop them a G’day and let them know how much you appreciate Kristal continuing to edit and publish this DripLine from down under. Above and beyond.

So long for now, hope to see you at a car show, club meeting, or on the road.

Enjoy the journey

For the recipe that I used, please see [The Heart of Worship: High Altitude Pavlova](#)

And the debate over whether Pavlova was invented in Australia or New Zealand will set most Aussies and/or Kiwis going for hours!

Buongiorno!

Well the past month has been pretty busy. My son, Brennan, graduated from Widefield HS in May and is headed to CU-Boulder in the fall to study Computer Engineering. My daughter, Alexis, was married to my new son-in-law, Courtney, in a beautiful setting on May 28th in Barga, Italy. Both of these milestones for my kids have made the start to my summer break pretty far from normal.

The trip was reminiscent of the movie, Planes, Trains and Automobiles, with some Ferries thrown in for good measure. We flew into Pisa in the early afternoon, while our luggage decided to take a later flight. After taking the train to Barga to my daughter’s wedding venue we were able to relax for the evening and enjoy some family time. The next two days were busy with going back to Pisa to get our luggage, wine tastings, a pizza party style rehearsal dinner and of course the wedding. A good time was had by all. By the way, there is a lot of

wine in Italy.

After the wedding we spent time traveling through Italy, seeing the sights in Florence, Rome, Amalfi Coast, Pompeii, and the Lake Como area. While we were joined by a 'few' people in Rome celebrating the Catholic Jubilee, Giro d'Italia (bike race) and Republic Day all at once, I enjoyed the laid back time at the Amalfi Coast and Como the best. I would highly recommend a trip to Italy for those of you that have not been. Unfortunately, I did not see any Corvair's on my trip, but I did get to see a very nice Ferrari and a Lamborghini. I also found out what the favorite Italian classic car of choice is for the working class. The Fiat 500! Another rear engine, air cooled car that just seems like it would be fun to drive. The small car is King in the busier Italian cities and towns with narrow roads and the need for 'creative' parking. A Ford F-350 owner who doesn't know how to park in the US is just annoying. In Italy they would've started an all out riot!

Now that we have returned to our normal sleep schedule at home, the next project for me is getting a stereo equipment upgrade. Currently, I am sorting through different online sites hunting for good equipment and good deals. Do any of the club members know what stereo wattage it would take to blow out the back window of a 66' Corvair? Asking for a friend...

Hopefully you all have received my email about ordering some new club shirts. Please reach out to me to place your order and send Randy your money once you

Regular Events:

Pikes Peak Air Cooled meet up and drive on the 2nd Saturday of each month.

Tri-Lakes Cars and Coffee the 1st Sunday of each month starting in April.

Old Business

Numerous members attended the Concours and Castle Rock Cruise In. A good time was had by all. Steve W and George E (a Corvair owner who rolled in with the rest of the cars) both won trophies for their class.

Tri-State was great. There were 30 Corvairs and accompanying people. A good time was had by all in spite of a few late night thunderstorms.

New Business/Events

SeeMore: As Glenn is not yet ready to take care of SeeMore, discussion was held regarding where the car should be stored. Mario indicated he would take it to Kevin's house to do some work on the trailer, including building some storage to organize the contents and putting on new locks and a keybox. Keys will be distributed as needed. He will bring it to Pueblo.

Mario noted that we could use a canopy to set next to SeeMore for those who are "manning" the car giving information and spending time with kids. Mario noted we would need a 10 X 20 canopy and weights. Randy indicated we had plenty of money in the SeeMore fund to cover this.

Tee Shirts: Jon F. got some quotes for tee-shirts, as there are a number of members who don't have club shirts, and others who might like a new shirt. Copies of the order form were shared with members present. Orders will be due by July 2, to have the shirts available by August. John will send the order sheet out to the club in the next day or two. John will take the orders, and money will be sent to Randy so that a single check will be sent to the vendor.

Tri-State: There was discussion in Trinidad about the future of Tri-State including members/leadership from 4 clubs, including Bonneville. The Bonneville club wish to sponsor the 2027 Tri-State.

Consensus during the meeting was that they wanted to continue with annual events. Simplification will be to gather, have a show, have some sort of banquet, and enjoy time together. If a club wishes to do raffles and other events, that is up to them. All clubs would still like to have shirts.

Next year will be held in Montrose on June 5-7, 2026.

Other New Business: Wayne Russert shared that he has a car available. Kathy will send the information out to the club members and send a copy to Kristal for the DripLine.

50/50 was won by Jon. He collected \$28.

Meeting adjourned at 1:58 p.m.

Concours d'Elegance

We had another great year showing off our Corvairs at the Concours. We had 9½ Corvairs to show the attendees. Yes, the half was SeeMore. SeeMore was a great hit, as usual, with the kids sitting in it and the adults reminiscing about when they owned one. This year quite a few young adults were interested in the history of SeeMore, and wanted to know all about Corvair engines, etc. A lot of pictures, stories and questions brought up lots of conversations about Corvairs.

Phil deGroot was the first one there about 4:30am with his nice 62 Corsa Sedan. Kathy, Coda & I rolled up about 5:45 with our 68 Monza Coupe. Following shortly thereafter was Tony & Diane with their twin 63 Ramp sides, John Dawson with his 61 Lakewood, Mike Piper with his 65 Corsa Convertible, Steve Woods with his 65 Turbo, Rick Beets with his 63 Monza Spyder and Jerry & KeithAnn in their 65 Corsa Convertible. Getting SeeMore there so early in the trailer was Mario Wibbens (THANK YOU MARIO)!

The Lawlers brought what was left over from Tri-State in the form of chips, cookies, drinks & other snacks. On our table, greeting the younger guests, were also coloring sheets of Corvairs and Hot Wheel cars supplied by the Greens. We also gave out some business cards and membership registrations. Hopefully, some will follow through with joining. Our corner became dubbed the “Fun Corner” by a number of the attendees.

We all had a good time, even though we had just seen each other at Tri-State. The weather was a little cool in the morning, but then it turned warm and wonderful. There were over 350 other cars for us to look at and some food trucks to nourish us when we got tired of snacks!

Phil and John Dawson did the club judging again this year. Thanks again to them for taking the time to do this when the rest of us got to sit around. Good times were had passing out the blue, red & black ribbons. Hope to have more cars there next year to enjoy the fun!

For this year’s Tri State meet, RMC took the hosting duties in Trinidad, Colorado. This small mountain town in southern Colorado provided a beautiful backdrop for a fun filled weekend. The Days Inn served as the host hotel and check in site for the event from May 30-June 1.

As attendees began to arrive on Friday, there was some concern and nervous speculation about the weather. By early evening, ominous clouds gave way to torrents of rain, causing some members to scramble to find towels and car covers. Saturday morning brought beautiful weather as we made our way down the hill and onto our reserved section of Main Street. The town of Trinidad was gracious enough to grant us one block of Main Street and the plaza in front of the Commons to display our 29 beautiful Corvairs. After the frenzy of parking cars and drying off the previous night’s rain died down, members took the opportunity to mingle and admire the cars on display in the early morning sun. Residents of the town began to filter in to admire more Corvairs than many of them had ever seen.

It seems as though every spectator had a story of a Corvair that belonged to either a friend or family member. Owners were more than eager to show off their lovingly, curated cars and point out the unique features that make the Corvair so special.

As noon approached, the car show had run its course and it was time to reopen Main Street. This was a perfect time for people to explore the town, try out some of the local restaurants, or just relax at the hotel leading up to the *banquet*.

Dinner was held at the Commons @ space to create. The beautifully refurbished building had been an automobile dealership and repair shop in a previous life.

The catered dinner was enjoyed by all and provided opportunities for attendees to converse and reflect on the day's events. prior to the awards, Marty Hackett, the city representative, was given an award and round of applause for her tireless efforts to bring Tri State to Trinidad. She was then gracious enough to give a brief but informative speech on the history of the city and their tireless efforts to maintain the beautiful historic buildings throughout the town. With dinner and dessert finished, awards were given in eight classes.

- Best specialty vehicle-Don Young
- Best early convertible-Dave Olwine
- Best early coupe or sedan-Phil de Groot
- Best wagon-William Pierce
- Best forward control-Jim Williams
- Best late convertible-Mike Piper
- Best late coupe or sedan-John Dinsdale
- Best of show-Jim Williams

The RMC team headed by Paul Seyforth, Rick Beets, Ken Schiffner, and the Lawlers(Tony and Diane) were instrumental in organizing this amazing event. Their tireless efforts and months of planning were evident as the weekend progressed nearly flawlessly (hey, even they can't control the weather).

At the conclusion of the awards, PPCC President Jerry Peevyhouse announced that the 2026 tri-state meet will be held in Montrose Colorado on June 5-7, 2026. This will mark the 50th anniversary of the first Tri State held in Montrose

in 1976. We hope to see all of you there!

So, on a personal note, here's a shot of my car in Trinidad and one of my venture home. This is The Most Holy Trinity Catholic Church in Trinidad.

On my way home the Pearce's and I stopped by Bishop Castle for this photo shoot of their wagon.

Also, this from Steve Goodman...

Hello Kristal: I saw your plea for an article about Tri-state. I attended as always, but I kept NO notes of anything and I just can't write an article for you.

I wish I could help you and I wanted to at least give you an excuse why I can't.

I look forward to the latest issue each month and I appreciate the work and time that you put into each issue. *(Thanks Steve!)* I read every word too. I also tell everyone that being the newsletter editor is the hardest job that every car club has.

Thank you, and I wish I could help. *(You have!!)*

CORVAIR PARTNERS & LOCAL BUSINESSES WHICH PPCC MEMBERS HAVE FREQUENTED WITH POSITIVE RESULTS

With so many new members joining the Club, we felt it might be a good time to (re)educate folks on where they can obtain reliable parts and service for their Corvairs, both near and far.

Here are just a few of the companies our members have had good luck with in the past.

NOTE: These are only recommendations only, as we do not solicit sponsors for the Club, or the newsletter. So, do your own research as well.
